

Vanguard Veteran Systems

CAPABILITY STATEMENT

Federal Sourcing - Supply Coordination - Procurement Support

Veteran-Owned Small Business

Service-Disabled Veteran-Owned

CAGE: 9GTX4

COMPANY OVERVIEW

Vanguard Veteran Systems is a veteran-owned and service-disabled veteran-owned small business supporting federal sourcing, supply, and procurement requirements. The company emphasizes responsive vendor coordination, disciplined communication, and reliable follow-through across both routine and complex supply needs.

CORE COMPETENCIES

- Federal sourcing and vendor coordination
- Procurement support and quote development
- Industrial hardware, components, and operational supply support
- Supplier outreach, validation, and fulfillment coordination
- Support for small purchases and larger mission-driven supply needs

DIFFERENTIATORS

- Veteran-led company positioned for public-sector responsiveness and accountability
- Scalable support model for growing procurement and supply requirements
- Clear communication and direct supplier coordination
- Professional presentation built for agency and prime-contractor review
